

## Meeting Street

### **Kids on Wheels - Level I**

**Kids on Wheels - Level I** is a weekly program designed to teach children balance, steering, and prepare them for riding a bicycle. The group will focus on developing the skills needed to safely start, stop, and steer with control. Balance and strength will be addressed using a variety of equipment.

**Kids on Wheels - Level I** will be led by members of the physical and occupational therapy staff.

**Kids on Wheels - Level I** is targeted to meet the needs of children who:

- Are 5 years of age and older
- Are able to pedal a bicycle with training wheels
- Have difficulty with stopping and steering
- Have difficulty with riding a bicycle without training wheels in a straight line
