

## Meeting Street

### Pencil Pals

**Pencil Pals** will address the foundational skills necessary for handwriting through play and the use of a structured multi-sensory approach.

Small group instruction allows for individualized attention and parent consultation. Entertaining games and activities will engage your child and prepare them for the hands-on learning of handwriting. Group size will be limited to 4 children aged 5-6 years.

**Pencil Pals** will address:

- \* Handwriting readiness skills
- \* Development of fine motor skills and grasp
- \* Learning spatial relationships in letter formation
- \* Development of visual-motor skills

**Pencil Pals** will be led by members of the occupational therapy staff using the *Handwriting Without Tears* curriculum.

This is a developmentally based program that uses multi-sensory lessons designed to promote success with handwriting.
